Tom Milam First Quarter News Update

GREETINGS, IN THE NAME OF He that said, “...I’ll never leave you, nor forsake you...! The Lord proves Himself over and over again, this is very true—I’m glad I’m a part of the family of God.

Thank you greatly, to all you who continue to hold us up in prayers and support. God bless you as you sacrificially give of yourselves, and your substance to insure that my part of God’s great ministry continues onward, outward, and upward! I am humbled to be a servant on your behalf, in helping to start new churches, re-establish old ones, and strengthen existing churches. Please pray earnestly as we endeavor to help re-start Liberty Baptist Church, Ramsey, WV. A little church out in the country, just off Route 60 (Midland Trail).

****JANUARY****

The first three weeks were spent on writing and preparing several of my books to be published. Also, my wife’s health issues were looking better, but God, in His sovereign mercy and Grace, saw something we couldn’t see, and allowed her to graduate to heaven, by way of a massive stroke on January 25th. “It is well with my soul”, but my heart is broken!

II COR. 4:6

I JOHN 1:5

****FEBRUARY****

I preached at the Glen Fork Baptist Temple for my good friend, Pastor Brian Dean. My granddaughter, Jessica and her fiancé’ came forward to rekindle their relationship with Christ—Praise God! I filled in for Pastor John Offenberger at the Cashmere Baptist Church at Cashmere, WV. He was suffering from broken ribs, due to a fall. The Lord blessed greatly that day—Please pray for brother John and the folk there as he recovers.

MARCH

I preached and gave updates of our progress to the Victory Baptist Church in Pikeville, KY. Pastor Edgar McKinney and his family had to be gone for a couple of weeks. It is always a blessing to be with those folk that help to support this ministry.

Sadness, shock and sorrow again hit my little family. Sherri Hatfield, my wife Alma’s daughter, was found dead on March 21st and we had her funeral on the 27th. Please pray for all of us, especially her 19 year old daughter, Jessica. The last few months have really been a test and trial; but, it will make us stronger for the next things on this journey.

Please pray for these needs:

1. Souls to be saved and Churches strengthened
2. Our soon operational Printing Ministry
3. B.A.T.A. Offices to be completed this year
4. My personal grieving process to be to God’s Honor .

Thanks Again, to all of you that sent cards, letters, donations, gifts and phone calls during our time of grief in the passing of my wife and her daughter, may God richly bless you.

Looking for His soon return
Brother Tom (Phil. 2:16)
