### **Folding Machine Has Arrived!**

We have spent the last several months working and researching folding machines for the print shop. The folder we had was completely worn out. After all this research we settled on a folder that was made in China. FirstBible International and Dr. Keen purchased this machine. In May of 2014 we:

- \* secured the finances from the states.
- \* began serious negotiations for price and shipping.
- \* had to verify that Chinese company was a real company.
- \* Transfer 30% of price to Chinese company.
- \* Waited for folding machine to be built.
- \* Transferred remaining 70% of price to Chinese company.
- \* Waited for verification folder was shipped.
- \* Folder is held at Chinese Mongolian border.
- \* Send our account to border to get folder released.
- \* Accountant waits 4 days  
- no one is answering their phones.
- \* Accountant returns to Ulaanbaatar without folder.
- \* No one including Chinese company knows where the folder is at!
- \* Our accountant finds folder sitting in a shipping yard outside of Ulaanbaatar.
- \* Not sure how it got there!!
- \* Finally folder delivered July 21st.

Almost a three month ordeal to get this folder from China to Mongolia. What a journey and what a great blessing when it finally showed up. This is a much needed piece for our print shop. Thank you again, FirstBible International and Dr. Keen. We have included a link to youtube. If you follow this link you can see a short video of the folder being installed into the print shop.

### **HELP US STAY IN MONGOLIA**

**This month is the end of a year long supporter of \$750/month.**

**This is needed and we need YOUR help.**

We knew this time would come and have worked the past two months calling preachers each night (between 2am and 4am Mongolian time) giving them an opportunity to be part of this amazing ministry! Our original plan was to go back to America and raise the support. However after **much pray and counsel** we have decided that **God would be pleased** if we continued moving forward with the ministry and **remained here raising the needed personal funds** by way of the phone, skype, and internet at this time. **We need your prayers!**

**IF** you know of anyone looking to support a Missionary **PLEASE let us know as soon as possible.**

**Our Mongolia majic jack number is 304-837-6120(no cost to call)**  
**our email is FirstBibleMongolia@yahoo.com**

REMEMBER  
WE CAN'T  
BUT  
GOD CAN!!

### **FirstBible Mongolia Expanding!**

**...so those who have not heard may have the opportunity to hear!**

**PRAYERS** are needed in regard to this need!  
Asking you to keep this matter of the building expansion in your prayers.

*1 Peter 3:12 says, "For the eyes of the Lord are over the righteous, and his ears are open unto their prayers"*
