Church Planting in Staten Island, NY

May 12-18, 2014

Baptist Ambassadors To America

Thank you for your consideration towards the Staten Island Project.

With 500,000 residents, Staten Island is in great need of more Independent Baptist Churches. Churches that are separated and focused on winning souls to Christ. We believe that Church planting is all about souls being saved.

We are gathering a team of soul winners to go to Staten to help in the planting of the Liberty View Baptist Church. This team will be arriving May 12th and will stay through the opening services on May 18th.

We need your help!

How You Can Help!

1. Through your fervent prayers.

James 5:16b
"The effectual fervent prayer of a righteous man availeth much."

Please pray for those that will be going forth to carry the gospel of Jesus Christ to Staten Island.

2. Through your financial gifts.

Please consider giving financially to help this work to one of the most populated areas in our country.

Your donation will go towards helping our missionaries with food, housing, materials, gospel tracts and traveling expenses.

Please mail donations to:
